ORDER

16 This matter comes before the Court on a putative class member's objection to a subpoena
17 plaintiffs served on third-party Google. Dkt. # 39. Ms. Vans Evers objects to any review of the
18 contents of her email account. Plaintiffs sought only the email addresses associated with
19 potential settlement class members, not the content of those accounts, and Ms. Vans Evers
20 disclosed her email address in her letter. The objection is overruled.
